(CCC) Housing

I have attached a copy of our database for the areas that you cover, in the hopes that you can tell us which of these houses fall under your control. We have an obligation to do this so that we are not sending marketing material to council tenants and so that council tenants do not contact their respective councils in relation to this work and waste the councils valuable time.

Response

I attach an excel file which indicates in column E which properties are Cambridge City Councils.
