### **(CCC) Minutes**

Please could I have copies of:

1. The minutes of the Disability Consultative Panel from April 2021
2. The minutes of the Design and Conservation Panel from the following months: November 2020, December 2020, January 2021, February 2021, March 2021 and April 2021.

### **Response**

The following Panel meetings were cancelled:

Disability Panel (April 2021),  
Design & Conservation Panel (January and March 2021)

The Design & Conservation Panel meetings held in November 2020, February 2021 and March 2021 were to discuss pre-application schemes, one relating to Downing College and the other the Devonshire Gardens proposal off Mill Road.

For all pre-application schemes the content of Panel meeting minutes are regarded as too sensitive to provide as part of an FOI response but will be included in the Planning Officer's report to Committee in due course.

I have however provided for you the minutes for the December 2020 Design & Conservation Panel meeting which discussed the St Matthews Gardens, Sturton Street application and which are already in the public domain.
