

## Welcome to the Cherry Hinton Hall Tree Trail

An interactive online tree trail has been created for you to use on your smartphone or device.

**FOLLOW THE TRAIL NOW:**

[www.chh.treetrail.co.uk](http://www.chh.treetrail.co.uk)

The trees that are included on the trail are shown on the map here. We hope you enjoy exploring and finding out more about them.

### Get involved

We want to see your tree photos! To share them, just tag us @camtrees on Instagram and we will add them to the map

### Contact

If you have any feedback we'd love to hear from you. Please contact [trees@cambridge.gov.uk](mailto:trees@cambridge.gov.uk)

## Our Trees

- |                   |                                  |                       |                        |                          |                    |
