An outstanding education for all children is at the heart of our vision.

CPET schools are busy and vibrant places where children are encouraged to flourish across the curriculum and to achieve their potential.

Our expectations are high and the standard of care is outstanding. Our teaching and non-teaching staff are fully committed to providing the best for the children.

We encourage our children to develop respect, open-mindedness, honesty and tolerance for others. For each individual child we will seek to maximise their confidence, self-esteem and independence.

The provision of extra-curricular activities is actively encouraged to enable children to enjoy varied experiences whilst at school.
