Ida Darwin and Fulbourn Hospital

- Fulbourn Parish
- Allocated for redevelopment including new homes on Ida Darwin
- Green Belt location
- Previously developed site.
- Currently owned and occupied by the NHS
Development Brief and Outline planning application

- Endorsed by Planning Committee in June 2014

- Sets design principles for the site

- Fulbourn – parkland setting, improve circulation round the site, ensure new buildings are of appropriate scale, maintain view of Victoria House.

- Ida Darwin – Establish a green wedge at the western end of the site, maintain the well treed character of the site, Extra Care provision at the heart of the site.

- Outline Planning application – Refused June 2014, new application expected later this year.
