

Message from the Chief Executive

Thank you for expressing an interest in working for Cambridge City Council.

Like other organisations, Cambridge City Council has a wide variety of jobs. What is so different about us, however, is the range of activities for which we are responsible. Everything from legal work to refuse collection, from running the planning service to providing sheltered housing for the elderly, and managing the city's car parks.

What ties us all together is our commitment to providing an efficient and effective service to the local community of Cambridge. We also have a clear vision for the sustainable development of Cambridge.

I hope that you find the information in this information pack helpful and we look forward to receiving your completed application.

Yours sincerely

Antoinette Jackson
Chief Executive
