

This is a fairly comprehensive list of the types of materials we are able to accept for re-use :-

Production offcuts and by-products; rejected QC batches; bankrupt and redundant stock; bulk quantities of unused raw materials, components and packaging.

RATING SYSTEM:-

1 – LITTLE DEMAND – Not particularly popular

10 – DESPERATELY NEEDED! – Very popular.

Ratings are given for colourful materials (where appropriate). Less colourful materials may score lower

General info

1. We are interested in materials that can be used in any creative or play context.
2. Materials must be **clean, safe and non-hazardous**
3. More colourful = better. Particularly paper, fabric and plastics
4. Strange, exotic, and unusual materials are our “grail”!
5. We accept large quantities
6. If you can deliver – great! If not - we collect.

Donation Guide

7. We accept donations of suitable household items (particularly fabrics)

8. This list is incomplete! If you’ve got something that’s not listed here and you think it would be useful, call us.
